Rationale for Proposed Revisions

- Recommendation sent form PC Faculty Advisory Committee
- Faculty suggested this as an option for their students, as it would not need Columbia department approval.
- This would make the process simpler and also provide more flexibility.
- The course will carry the stipulation in the bulletin that it can only count as an elective, as our other PCAM courses.

Summary of Proposed Revisions

- Course Description: - "1-6 hours. Contract approved by instructor, advisor, and academic dean is required for undergraduate studies. May be taken for elective credit only. May be repeated for up to 6 credits hours."
